Happy New Year

By Kris Martens

On behalf of the UHS Booster Club Board, We would like to wish all our Booster Club Members a Happy New Year. I hope that the holidays brought you a lot of happiness and gave you time to take a well-deserved break.

Although school has only been in session a short four months, The UHS Booster Club would like to extend our sincere THANKS to all of you who have come out and helped support us this year. We are still in a learning curve, but this year has by far been the best year yet! This was only possible through awesome parental involvement, generous donations, and community support! We are constantly trying to come up with new plans and ideas, and we will be meeting monthly.

BOARD MEMBERS

Kris Martens	President
Shannon Houck	Vice President
Merry Montgomery	Secretary
Jodi Huffman	Treasurer

If you have any suggestions, questions, etc., please feel free to contact us or come to a meeting. We are proud of what the Booster Club has been able to accomplish and want to share some of the Booster Clubs accomplishments, news, and upcoming events with our members. Especially to those who are out of town or unable to attend meetings or events.

Sincerely, Your Bobcat Booster Board

Event Funding!

In December Union Jr. High and High School had 9 teams compete in the local Lego Robotics competition. 21 of those students advance to the State competition in Portland on January 19th 2013. During the two-day trip, students were able to enjoy Evergreen Air & Space Museum and the new Water Park. Funding was obtained through a grant that Mr. Poor secured and additional funds needed were provided by the Bobcat Booster Club.

Safeway participates in Electronic Scrip Incorporated's eScrip program, which enables consumers to direct a percentage of their grocery purchases to be donated to the school of their choice. In 2010, we donated \$21.4 million to local schools through eScrip, requesting that schools allocate 20 percent of our contributions to nutrition and fitness programs that help children stay active and healthy.

Thank You Mr. Poor!

After more than 4 long years of fundraising we have our Rock Climbing Wall completed. Training will be provided on 2/8 for instructors. The Rock Wall will be open to students, organizations and community members alike. We want to give a special Thank You to Mr. Poor for the countless hours he put into making this happen. We also want to thank everyone that helped with fundraising or provided donations. A Special Thank You to Pepsi and the Union PTA.

Go Bobcats!
